## COMPANY PROFILE

### The SICO® World

For over 50 years, SICO® has been a leading, worldwide manufacturer of mobile folding products to help organisations maximise the efficient use of their space. From our extensive range of mobile folding tables to our portable dance floors and easy to use mobile folding stages, we offer a host of innovative products that offer the same ingenuity and quality that so many of our customers have come to expect from SICO®. With such a diverse family of products, SICO® can fulfil the needs of any facility.

SICO's diverse product line includes:

- Tables, cafeteria tables, lunchroom tables and education tables.
- Meeting room stages and speaker platforms.
- Registration tables.
- Portable stages, folding stages and seating risers.
- Performance stages, convention centre stages.
- Room service tables.
- Portable dance floors.
- Food warmers and food carts.
- Catering tables, buffet tables and banquet tables.
- Choral risers and band risers.
- Upright roll away beds.
- Luggage carts.

SICO® Europe operates from a modern 40,000 sq ft factory in Kent, UK. The SICO® headquarters is in Minneapolis, Minnesota, USA with other manufacturing plants located in America, Asia and Europe. Our presence in the global hospitality marketplace speaks for itself. SICO® has become a global leader of portable product solutions that optimise the use of space. SICO® prides itself in delivering products that last the test of time while continuing a strong tradition of providing superior customer service.

## FREE Space Analysis Survey

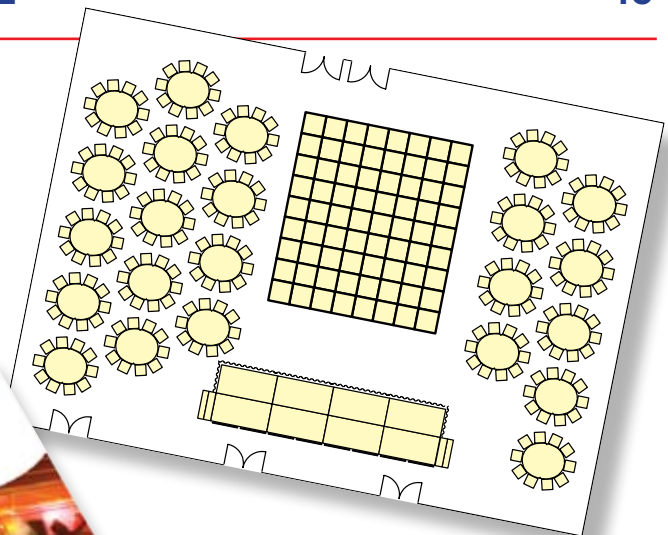

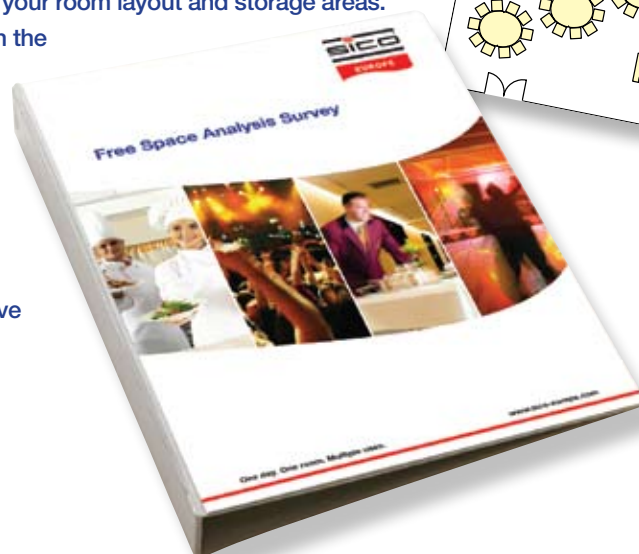

We want to make sure you get the best possible service, from the handling of your initial enquiry, right through to the completion of your order. As part of our service we offer a

### Free Space Analysis Survey.

We will provide detailed space analysis drawings enabling you to accurately plan your room layout and storage areas.

We even advise you on the best approach to fire exits, wheelchair access, aisle widths and traffic flow so you can make a fully informed decision before purchasing.

We can also arrange valuable and informative on-site product demonstrations.

## SICO<sup>®</sup> Green Movement

At SICO<sup>®</sup> we are constantly developing products and services that use renewable resources, minimise environmental impact and follow the principles of sustainable design.

As part of this commitment, a growing number of SICO<sup>®</sup> products have been certified with the GREENGUARD<sup>®</sup> mark of distinction. All these products have passed stringent independent testing to affirm that they meet the high standards set by the GREENGUARD<sup>®</sup> Environmental Institute for product emissions into the indoor air stream.

For more information on the SICO<sup>®</sup> Green Movement and Greenguard certified products visit our website [www.sico-europe.com](http://www.sico-europe.com)

# MOBILE BUFFET SYSTEMS

## DECO Buffet Stations A Revolution in Buffet Service

DECO Buffet stations are mobile so they are ready to move in and out of action. They utilise the latest induction cooking technology and the flexibility of design allows units to be used in multiple configurations or individually.

These stations are designed by and for Executive Chefs.

- DECO Cooking Station.**
- Two induction cooking units.
  - Two stainless steel utensil holders.
  - Glass splash guards.

- DECO Carving Station with Induction Warming Units.**
- Heated carving tray.
  - Two 250 watt heat lamps.
  - Two induction warming units.

- DECO Induction Warming Station.**
- Three induction warming units.

- DECO Hot Plate Warming Station.**
- One 1,125 watt heat plate.
  - Four 250 watt heat lamps.

- DECO Induction Warming & Hot Plate Station.**
- Two induction warming units.
  - One 420 watt heat plate.
  - Two 250 watt heat lamps.

- DECO Food & Beverage Display Station.**
- Decorative "broken glass" ice bin.
  - Two lamps for lighting the ice bin.
  - Plastic drip tray.

- DECO Bar Station.**
- Ice bin.
  - Storage underneath.

- DECO Multi Purpose Station.**
- Duplex recessed power receptacles.
  - Large serving / display surface.
  - Storage underneath.

- DECO Trapezoid Side Station.**
- Offers additional workspace or food & beverage presentations.
  - Single point 15 amp connection.

- DECO Trapezoid Side Station with Ice Bin.**
- Plastic drip tray with stainless trim, glass ice bin.
  - Single point 15 amp connection.
  - Internal 8 gallon holding tank.

**One day. One room. Multiple uses.**

## Sophisticate Plus Catering Table

Perfect for rolling into any buffet setting for use as a cooking, warming or ambient station. The Sophisticate Plus makes for a great addition to any hotel, convention centre, stadium, arena, university, culinary school, military institution or country club. Use them for front of house, catering functions or chef demonstrations.

- **Utilises the latest induction cooking technology** - more energy efficient, cleaner, and cost effective than gas or electric units.
- **Warming and cooking units** - can be configured with one, two or three warming units per top, one or two cooking units per top or one cooking and one warming unit per top.
- **Granite composite tabletop** - NSF certified, choice of colour options.
- **Easy to clean** - durable completely sealed top surface.
- **Superior scratch, stain, and impact resistance** - cut directly on the table surface.
- **Heat resistant** - set hot items up to 260°C (500°F) directly on the surface without scalding.
- **Versatile & mobile** - rolls smoothly and quietly into and out of service.
- **Tabletop folds/nests for storage** - less space when not in use.
- **Powder coated oval tubular understructure** - adds style and strength to the table.
- **Warranty** - 3-Year Warranty on the mechanism. Lifetime Warranty on welds. Induction units protected by a 1 Year Warranty.

## Sophisticate Catering Table

Style, mobility, and durability in one high quality table. So elegant it doesn't require linen or skirting. Whether you use them front of house, for catering functions or chef demonstrations.

Allows a high quality presented service to be completely set up in the kitchen, then rolled into use by one person. No need to double-handle, labour costs and set-up times can be significantly reduced.

- **Granite composite tabletop** - NSF certified, choice of colour options, or
- **A Large variety of high-pressure laminate tops and wood trims.**
- **Easy to clean** - tough and durable completely sealed top surface.
- **Superior scratch, stain, and impact resistance** - cut directly on the table surface.
- **Heat resistant** - set hot items up to 260°C (500°F) directly on the surface without scalding.
- **Choice of sizes** - 82cm (32") wide x 183cm 72" long. Heights of 91cm (36") or 82cm (32").
- **Powder coated oval tubular understructure** - adds style and strength to the table.
- **Dual-wheel castors** - easily roll table into and out of service.
- **Tabletop folds/nests for storage** - less space when not in use.
- **Warranty** - 3-year Warranty on the mechanism. Lifetime warranty on welds.

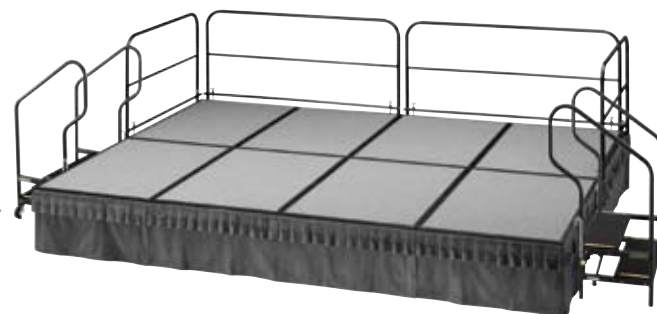

# PORTABLE STAGING

## Mobile Folding Staging

### 2000 Series Mobile Folding Stage

- **Multiple uses** - recommended by hotels, clubs and convention centres.
- **Self-storing unit** - single person set-up and easy storage giving savings in labour and time.
- **Heights** - single or dual-height models with 15cm or 20cm increments, easily adjusted.
- **Deck sizes.**
  - 91cm x 244cm - single height.
  - 122cm x 244cm - single/dual height.
  - 183cm x 244cm - single/dual height.
- **Heavy duty non-marring wheels** - protect floors and give long term life.
- **Vinyl coated steel edge** - provides long lasting wear and durability.
- **Velcro** - placed around the perimeter of stage for easy skirting attachment.
- **Stage legs** - unit rests on 8 direct-to-floor load bearing legs that stabilise the stage.
- **Strength and durability** - deck load of 750 kg per m<sup>2</sup>.
- **Deck surfaces** - hard wearing carpet or durable scratch resistant Tuff-Deck.

### Tri-Height Mobile Folding Stage

- **Versatility** - easy to adjust - 15.2cm increments.
- **Easy to use** - minimal effort to set up, keeping your staffing requirements and labour costs to a minimum. Easy to fold, and changing heights is simple with our automatic snaplocks.
- **Exclusive pop-up deck feature** - reverse decks without dismantling the stage set-up.
- **Solid construction** - rigid one-piece frame design that supports the decks to spread the load evenly.
- **Exclusive built-in stage connectors** - provide a firm, positive lock.
- **Easy to transport** - lower centre of gravity when folded makes even the highest units easy to transport.
- **Sizes and heights** - full range available.

One day. One room. Multiple uses.

## X-Press Stage and Riser System

- **Easy to handle** - system to meet the ever changing needs of a facility. Converts easily from one application to another without lifting heavy folding leg units. Design eliminates the need to flip the unit over to adjust height.
- **Easy to set up** - light-weight frame is set in place, unfolded and automatically assumes the correct position for attaching the deck.
- **Easy height adjustment** - 'pull pin' system.
- **Strong custom designed deck** - structural, light-weight, and quiet. Special resin impregnated honeycomb core, solid edge and 'Tuff Deck' surface.
- **Easy to store and transport** - caddies hold up to 8 decks and frames for 24 m<sup>2</sup> of staging.
- **Flexibility** - can be utilised as a stage or a riser system.

## Harmony Choral Risers

- **3 step and 4 step design.**
- **High quality construction** - old, worn out risers can distract your singers and break their concentration. Avoid this problem with quiet, fully carpeted decks.
- **Need a change, flip a deck** - changing deck arrangements is quick and easy. The SICO® exclusive deck lock allows changes to deck position instantaneously.
- **Attached top row security rail** - rail cannot be left off by accident. 2.5cm (1") deck overhangs reduce the chance of accidents, and there are no gaps between units for heels to slip through.
- **Four wheel design** - no lifting to transport.
- **Convenient storage** - three and four rise folds.
- **Shipped fully assembled.**

## Stage Accessories

Complete your SICO® staging system with this wide range of stage accessories:

- **Stage curtains, backdrop frames and stage skirting** - available in many colours to match your decor.
- **Crowd control barriers** - free standing. 122cm high x 122cm wide or 122cm high x 183cm wide. Solid or mesh panels.
- **Universal ramps** - mobile folding units, allowing fast set-up. Ramp surface options: carpet or Tuff-Deck.
- **Universal guard rails & guard rail covers** - guard rails are a must for any stage set-up.
- **Universal and Tilt N' Roll steps**

[www.sico-europe.com](http://www.sico-europe.com)

# PORTABLE DANCE FLOORS

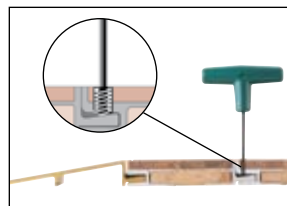

## Portable Dance Floors

SICO® invented the first professional portable dance floor in 1964 and today continues to be the leading manufacturer of this product throughout the world. Each panel is manufactured with superior craftsmanship, attention to detail and many value added features.

- **Square Panels** - each SICO® dance floor panel is manufactured perfectly square, which guarantees a perfect fit every time allowing easier and faster set-up.
- **High quality** - tested durable materials to ensure long life.
- **Durable locking systems.**
- **Anodised border trim** - finish that highlights the edges of the dance floor for high visibility, even in low light situations. Each trim piece is grooved to make it slip resistant.
- **Solid floor contact** - all panels make 100% floor contact so there is no possibility of breakthrough.
- **Transport/storage caddies** - easy to load and unload, protect panels and keeps components organised.
- **Low profile design** - SICO®'s lower profile floor allows easier access and egress, at only 2.4cm.
- **Warranty** - protected by a 3-year warranty.

## Original Dance Floor

- **91cm x 91cm (3' x 3')** panels.
- **High quality parquet** - solid wood inlaid parquet panels protected by a durable polyurethane finish of Natural Oak or Heritage Oak.
- **Protective backer finish** - a high-grade polymer coating to resist moisture.
- **Screw-thread insert** - durable long life locking system.
- **Aluminum metal edge strip** - tongue and groove, aluminum strip protects panel edges.
- **Anodised border trim** - gold or silver.

**One day. One room. Multiple uses.**

## Cam-Lock Portable Dance Floor

- **91cm x 91cm (3' x 3')** panel.
- **Highest quality parquet** - solid wood inlaid parquet panels protected by a durable polyurethane finish of Natural Oak or Heritage Oak.
- **Protective backer finish** - high grade polymer coating to resist moisture.
- **CAM-LOCK positive lock system** - self-aligns and positively locks panels into place.
- **Aluminum metal edge strip** - tongue and groove aluminum strip protects panel edges.
- **Anodised border trim** - gold or silver.

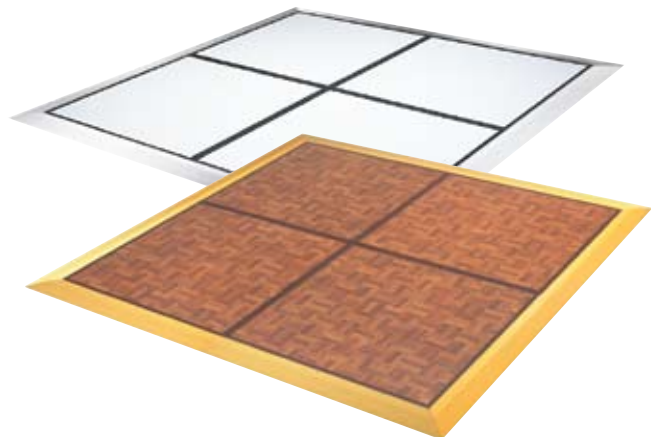

## CAM-LAM® Portable Dance Floor

- **122cm x122cm (4'x4')** panel - almost twice the area compared to conventional 3' squares. This makes set-up faster and reduces storage space.
- **High grade laminate surface** - resists chipping, scratching and fading. Available in Northern Birch, Cherry Rose, Amber Cherry, Black and White.
- **High strength, low-density core.**
- **CAM-LOCK positive locking system** - a proven locking system.
- **Precision tongue & groove design and self-aligning pins** - perfectly squares floor for easy and fast set-up.
- **Anodised border trim** - gold or silver.

## Starlight II Portable Dance Floor

- **122cm x122cm (4'x4')** panel.
- **Versatile and durable** - for indoor and outdoor use.
- **Structural design** - eliminates warping, chipping and fading.
- **High pressure laminate surface** - maintenance free, resistant to scuffs and scratches. Available in Northern Birch, Cherry Rose, Amber Cherry, Black and White.
- **CAM-LOCK positive lock system** - a proven locking system.
- **Anodised border trim** - gold or silver.

## Portable Dance Floor Caddies

- **Easy to load and unload.**
- **U shaped caddies feature a walk in design.**
- **Convenient slots** - protect the panels and keep your components neatly organised.

# CONFERENCE & BANQUETING

## Mobile Folding Banquet Tables

### Folding Leg Tables

The Armor-Edge® Folding Leg Table is engineered for long lasting performance and will withstand the rough treatment banquet tables are subject to.

- **Armor-Edge®** - provides the most durable table edging system in the industry, protecting the veneer tabletop from damage.
- **Aircraft lock nuts and bolts** - used at critical pivot points remain tight and can't work loose.
- **Expansion rivets** - securely fasten the frame and plywood tops together, they do not work loose like competitor tables that use screws.
- **One-piece seamless high-quality 5/8" 9-ply plywood veneer tabletops** - light-weight and withstand rough handling for years of use.
- **A variety of shapes and sizes are available** - including:
  - **Rectangular.**
  - **Round.**
  - **Half Round.**
  - **Quarter Round.**
  - **Oval.**
  - **Crescent.**

### Portable Folding Leg Table Caddies

- **Easy to load and unload** - integrated ramp on the round caddy.
- **Unique castor locking system** - prevents caddy from moving when loading and unloading.
- **Nesting blocks** - hold tables securely to prevent damage when transported or stored.
- **Four premium roller bearing castors** - 2 stationary and 2 swivel for easy manoeuvrability.

**One day. One room. Multiple uses.**

## Pacer Mobile Folding Table

- **Multiple uses** - mobile folding tables in a variety of shapes are perfect for banquets, conferences or exams.
- **7 different Pacer Table top choices**
  - Hexagon** - Seats 6.
  - Round** - 3 sizes available. Seats 4-12.
  - Square** - Seats 6.
  - Octagon** - Seats 8.
  - Rectangle** - 6 sizes available. Seats 4-8.
  - Serpentine** - Seats 4. Designed for serving.
  - Oval** - 2 sizes available. Seats 6-10.
- **Finish** - powder coated.
- **Full range of laminate top colours.**

## Pacer II - One Piece Seamless Pacer Table

- **One piece seamless laminate tabletop** - provides guests a spacious surface for their food and beverages.
- **3 different Pacer II top choices**
  - Oval** - Seats 10.
  - Round** - Seats 8.
  - Octagon** - Seats 8.
- **Full range of laminate top colours.**
- **Tables nest compactly** - when in the stored position and roll into storage on 7.6cm (3") castors.

## LB Mobile Folding Table

- **Multiple uses** - ideal for head table risers and when separate chairs are used. Rectangular LB tables easily roll into use for food service, meetings, conferences, banquets, study halls and testing rooms.
- **Full range of laminate top colours.**
- **Added support** - centre leg feature gives extra support - larger tables only.
- **Torsion bar assist** - aids easy handling. One person can operate any size.
- **Choice of 5 Rectangle sizes** - 75.3cm x 150.3cm, 75.3cm x 180.7cm, 75.3cm x 243.9cm, 75.3cm x 303.9cm and 75.3cm x 356.1cm.

# CONFERENCE & BANQUETING

## MultiApp Table

- **Style, Functionality, and Mobility** - unique table design.
- **Multiple uses** - great for front of house applications in hotels, displays, registration and as catering tables for special events. Perfect for seminars, conference tables or computer tables.
- **Totally versatile** - designed to fold up and roll to its next destination.
- **'Pneumatic assist' function** - makes folding and unfolding the table quick and easy.
- **Easy one person operation.**
- **Full range of laminate top colours.**
- **Armor-Edge®** - hermetically seals the top edge for sanitary purposes.
- **Finish** - nickel chrome or powder coated understructure.
- **Variety of top shapes** - rectangle, quarter-round and half-round
- **No leg obstructions under table.**
- **Tables lock together** - for semi-permanent arrangement.
- **Easy storage** - tops fold and tables nest together.
- **Unique features** - wire management tray underneath the tops which also serves as a modesty panel for privacy.

**One day. One room. Multiple uses.**

## Deluxe Catering Table

- **Single and Two-Tier catering table.**
- **Attractive quality design** - oval frame that provides strength, stability, and style. No skirting required.
- **Designed to be used WITHOUT LINENS.**
- **Ease of operation** - rolls smoothly into service, and folds neatly into the storage position.
- **Larger service area** - two tiers of continuous surface space.
- **Versatile** - can be used as a reception desk, display stand, or dry bar.
- **Full range of laminate top surface colours.**

## Socialiser Pre-Function Table

- **Multiple uses** - hotels, conference centres, clubs, and schools. Table rolls on its own wheels. There is no lifting, no parts to assemble, and it needs no caddy to transport from place to place!
- **Three Models** -  
**The All-A-Round:** 12 height adjustments in a single table. From 74cm to 104cm.  
**The Sit-A-Round:** Single height table, designed for seating.  
**The Stand-A-Round:** Single height table, designed for pre-function events where guests remain standing.
- **A practical, attractive table** - unnecessary to drape the unit.
- **Table top diameter 91cm.**
- **Full range of laminate top surface colours.**
- **Built to last** - built for hard, everyday use. Armor-Edge®, and high pressure laminate protect the table top.
- **Longer product life cycle** - tops are not subjected to the constant punishment that conventional folding tables endure when they are rolled on the table edge to and from storage.
- **Minimum storage space** - tables nest together due to unique folding top design and inter-locking legs.

# ROOM SERVICE

## Room Service Tables, Food Warmers & Caddies

From kitchen to guest, SICO® Room Service tables are built to be user friendly for staff and to enhance the dining experience for your guests.

All SICO® Room Service Tables come with a 3-Year Warranty.

- **Retractable bar** - holds table leaves in place when table is fully flat.
- **Oval tubing** - aesthetically pleasing design with strength and durability.
- **Swivel castors and vinyl-coated PVC rack**- tables roll quietly.
- **Durable finish.**
- **SICO® Armor-Edge®** - seals the tabletop for sanitary purposes and allows easy clean-up.
- **Superior construction** - heavy self-cleaning hinges and aircraft lock-nuts are used.
- **Tamper proof expansion rivets** - fastens tabletop firmly to the frame.
- **Seating capability** - comfortable seating for four with oval shape tables that won't crowd your guests. The SICO® centre leg design gives extra leg room.
- **Tabletops fold vertically** - nest to reduce storage.

### Tri-Fold Room Service Table

- **Exclusive SICO® design.**
- **Folding leaves** - folded down for transport, out for serving, and then locked in the upright position for return to your kitchen greatly reducing spillage and breakage.
- **Oval or square tops.**
- **Frame finish** - black.

### Bi-Fold Room Service Table

- **Folding leaves** - folded down for transport, out for serving.
- **Oval or square tops.**
- **Wheelchair accessible model is available.**
- **Frame finish** - black.

**One day. One room. Multiple uses.**

## Rigid Frame Room Service Table

- **Extra strength** - incorporated into a four-legged design.
- **Rectangle tabletop.**
- **Frame finish** - chrome.

## Unifold Room Service Table

- **Service for two** - designed without leaves.
- **Multiple uses** - banquet server table.
- **Rectangle tabletop.**
- **Frame finish** - black.
- **Unit-to-unit connectors** - allow one person to handle a long train of tables.

## Food Warmers

- **Present food hot from the kitchen** - without overcooking or drying out.
- **Energy efficient** - fully insulated.
- **Easy to care for** - exterior is stainless steel or powder coated, interior is aluminum. Clean quickly and easily.
- **Easy to handle** - top handle stays cool. Side handles allow easy placement on room service tables.
- **Easy to use** - just plug in and turn on.
- **All riveted construction** - increased durability.
- **Finish** - stainless steel or black powder coat.
- **Mobile electric food warmer** - built in castors and retractable pull handle.
- **Solid fuel food warmers** - also available.
- **Gravity feed storage racks** - for larger kitchens.

## Room Service Table Guide

- **Easy manoeuvring and ergonomic design** - guiding table while standing straight allows for eye contact with guests and reduces spillages and breakages while en route to the guest's room.
- **Finish** - chrome.

# VENUE & ARENA PERFORMANCE STAGES

## Performance Stages

We have a range of performance stages and accessories specifically designed for larger venues including arenas, convention centres and major performance halls.

### Fold N' Set Mobile Folding Stage

- **Benefits of a permanent stage** - for performers and solid savings in time and labour for set-up crews.
- **Versatility of a portable stage** - permanent stage feel with all the benefits of a portable system.
- **Quick and easy installation.**
- **Easy height adjustment.**
- **Easy storage** - when not in use, the frames and braces are stored on mobile storage caddies that are easily rolled from storage to the set-up location.
- **Reversible decks.**
- **Complete range of deck surfaces.**

**One day. One room. Multiple uses.**

## Roll N' Set Mobile Folding Stage

- **Speed and simplicity** - incredibly fast to set up and take down. An experienced group of 4 can set a 19.5m x 12.2m stage in less than 30 minutes. There is no deck lifting required, the decks store directly on each mobile frame - 12m<sup>2</sup> of stage per unit!
- **Easy adjustment** - the stage height is easy to adjust with SICO<sup>®</sup>'s exclusive Auto-Lift feature, which allows the stage height to be raised or lowered without removing any decks.
- **Easy to store** - units can be quickly folded, and easily rolled to and from your storage area.
- **Reversible decks** - maximise the stage usage opportunities.
- **Complete range of deck surfaces.**

## Variable Terrain (VT) Folding Leg Stage

- **Flexibility with strength** - can be set as a performance stage, tiered risers, choral or orchestra risers. The system offers a wide range of heights and the stage units can be locked together either at the same height or tiered heights.
- **Long life.**
- **Quick locking action.**
- **Easy adjustment.**

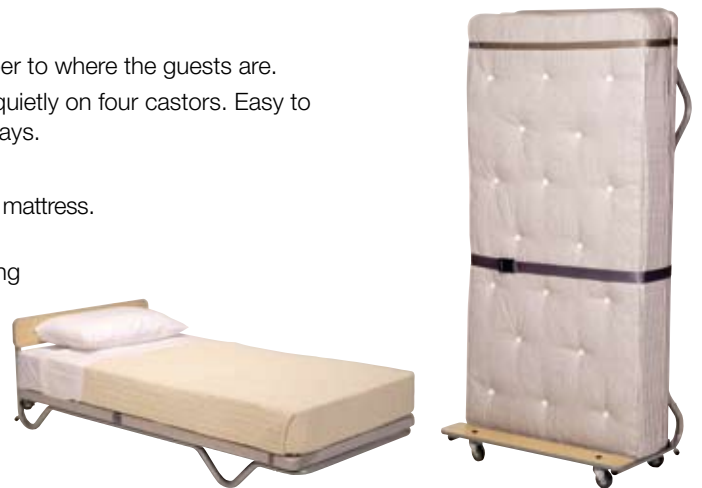

# HOUSE KEEPING & FRONT OF HOUSE

## Mobile Beds & Luggage Carts

### SICO® Mobile Sleeper

- **Add capacity with ease** - simply move a SICO® Mobile Sleeper to where the guests are.
- **Easy to use** - lightweight design allows Mobile Sleeper to roll quietly on four castors. Easy to lower and raise and it conveniently fits through standard doorways.
- **Easy to clean** - adds to the life of the Mobile Sleeper.
- **2 models: Pillow-Top Mobile Sleeper** - comfortable pillow-top mattress.  
**Standard Mobile Sleeper** - standard mattress.
- **Adjustable straps with fasteners** - straps hold pillow, bedding and mattress in place during transport and storage.
- **Durable laminate headboard.**
- **Durable frame** - extra tough, powder coat finish.
- **No moving parts** - no maintenance worries.
- **Vinyl storage bed cover** - optional protective covering from dust and damage.
- **5-year warranty** - on the frame, headboard & castors.

### Luggage Carts

- **2 and 4 wheel designs**
- **Built to last** - exceptionally strong, equipped with maximum storage space and roll with ease. Shipped fully assembled, ready to use.
- **Cairo** - 4 wheel, designer series with 5cm (2") diameter tubular frame. The 3rd vertical retainer bar prevents luggage from falling off.
- **Monte Carlo** - 4 wheel cart for maximum hanging space. 4cm (1.5") diameter tubular frame construction.
- **Tripoli** - 4 wheel cart economically priced model with 3cm (1.25") diameter tubular frame.
- **Bali** - 2 wheel cart when storage is an issue. 2.5cm (1") diameter tubular frame. This cart folds up into a compact storage position.
- **3-year warranty.**

**One day. One room. Multiple uses.**
