for plate shelf.*

*Diyelim ki Lades kemiği ile bir dilek tuttunuz.Normalde bu kemiği kıran ve daha büyük parçaya sahip olan kişinin dileğinin gerçekleşeceği düşünülmektedir.Lades kemiği 'gelecek için umut ve iyi şans' sembolize etmektedir.

When you make a wish on a wishbone, the wisher who breaks the bone and has the larger piece is thought to have their wish is granted. The wishbone symbolized 'hope for the future and good Luck'.
